

Dr. Juan Luis François Lacouture
Editor-in-Chief
Ingeniería Investigación y Tecnología
Faculty of Engineering, UNAM

In relation to the article entitled “*****”, approved for publication in the journal *Ingeniería Investigación y Tecnología* in volume ***, number *** (initial month-final month year):

The author(s) declare the following:

Authorship

We have participated sufficiently in the conception, design, and preparation of the manuscript and therefore publicly accept responsibility for it. The article, or other substantially similar, has not been published, nor is it about to be published under our authorship in any medium, except as explicitly stated therein.

Approval for printing

We have reviewed the final version of the article and approve its publication in its present form and waive any claims for errors or omissions that were detected and not pointed out prior to the signing of this letter. The galley proof, duly signed, is enclosed.

Assignment of proprietary rights

In our capacity as authors of the article, **we assign all the proprietary rights** that correspond to us of the enunciated work, **free of charge** in favor of the *Universidad Nacional Autónoma de México*, and we also give our consent to make use of the article under the terms and conditions stated.

The *Universidad Nacional Autónoma de México* and *Facultad de Ingeniería* under the publication of the journal *Ingeniería Investigación y Tecnología* assume the rights to edit, publish, reproduce and distribute in print, electronic media, internet and include the work in national and international indexes and/or databases. Likewise, the *Universidad Nacional Autónoma de México* is authorized to use the images, tables and/or any other graphic element contained in the article for the design of the covers or posters of the journal itself. As the *Universidad Nacional Autónoma de México* assumes the patrimonial rights of the article, it may not be reproduced partially or totally in any printed or digital media without the express permission of the same.

Likewise, the *Universidad Nacional Autónoma de México* is relieved of all responsibility in the event of any lawsuit or claim made by any individual or legal entity that considers itself entitled to the work, and the authors assume all legal and economic consequences derived from such claim.

Sincerely:

*****< place and date>*****
